

In the specification:

On page 3 line 20 delete "with" and insert --width-- therefore. No other amendments to the specification are made herein.

As the Examiner has requested in the Office Action of September 7, 2005 a substitute specification with all the changes made in the First and Second Preliminary Amendments, without the amendment markings therein, as a whole document is provided. This clean specification is herein labeled Docket 1.

Further, as the Examiner has requested, a marked up specification which shows where the changes are made is also provided. This marked up specification is labeled Document 2. The amendments made to the specification may be found on pages 8, 11, 12, and 14 - 18 of Document 2.
